Motions Presented in Order of Submission

1. Motion to change the time for sharing from 3 to 2 minutes.

Motion Presented By: JS who was not present. PB represented her.

Pros: Shorting the sharing time will allow for participants to share and those who normally don't get to share will do so.

Cons: The 3 minute time for sharing isn't always used by everyone also, sometimes the participant needs that time to say what they want to.

Present for Vote: 23 13 Yes 6 No 1 Abstain Motion Passed

2 & 3: Combined Motions

Motion 2: Highlight in turquoise or blue, the meeting format words that are to be read out loud.

Motion Presented By: JS who was not present. DB represented her

Motion 3: To allow the formation of a small committee in order to color code the meeting format according to tech responsibilities versus chair script. This will visually clarify the difference in duties.

Motion Presented By: DB

No Discussion Ensued

Present for Vote: 22 15 Yes no votes for nays or abstain taken Motion Passed

4. Motion, if share time remains at the current 3 minutes, I would like to propose that the chair have the ability to adjust share times towards the end of the meeting in order to give all remaining participants in the queue the opportunity to share. (this motion may be rescinded if Motion #1 passes)

Motion Presented By: PB

Motion Rescinded

5. Motion for the meeting leader to select the timer prior to the start of the meeting to allow for co-hosting setup.

Motion Presented By: PB

Present for Vote: 20 15 Yes no nays or abstains taken Motion Passes

6. Motion for the meeting leader to select the “FOR TODAY” reader prior to the start of the meeting to allow for co-hosting setup.

Motion Presented By: PB

Pros: Would save time; Participants who want to read will come early.

Cons: Does not give opportunity to participants who do not come early before the actual meeting is scheduled to start; It will be the same people being chosen that do come early before the actual start of meeting; Too many service opportunities are being delegated prior to actual meeting scheduled time.

Motion Amended by PB to read: Motion to list the For Today reading in the Sign-Up Genius along the Chair and Host, etc.

Vote to Accept the Amended Motion Voted: 15 Present 8 Yes Passed

Pros: Gives participants the same opportunity to do service as chairing a meeting or doing tech service. Saves time and doesn't take away from the meeting to choose a volunteer. The Chair can only see the participants raise their hands who are in the viewing screen.

Cons: Not everyone is tech savvy or comfortable navigating the web page; Takes away from the spontaneity of being moved to read the passage for that day's reading.

Present for Vote: 13 4 Yes 7 No Motion Failed

Closing: Moment of Silence, Serenity Prayer, Meeting Closed

Date of Next Meeting: March 5, 2022 9:05 A.M., E.T.
